

SPRout @ Crow Nest Park, Dewsbury

Outdoor activities sessions for families with children with additional needs

During these sessions we have carved pumpkins, decorated trees with dreamcatchers and clay faces. We have made a bug hotel, cooked and eaten lots of healthy food, explored, played on the adventure playground, worked together, made friends, had fun, enjoyed being outdoors, despite the wintry weather and so much more.

Over 8 sessions run between 14th October 2017 and 20th January 2018, participant figures are as follows:

Participant visits	Total 219 includes 124 Children
Average participants per session	Total 27 includes 15.5 Children
Number of different participants	88
New families this period	New 10 Returning after a break 3

The facilities at Crow Nest park have provided families with a warm space on cold days, a place to have time out, a wonderful outdoor environment with amazing play equipment encouraging exploration and team work, opportunity to engage with nature whilst providing security, and a nurturing space.

What our families say:

“Had an amazing time today...thank you for making us welcome...see you next Saturday” (after first visit)

“It was a great session, they always are but the new location made it more awesome than what they already are. Thankyou sprout team for a very enjoyable session. xx”

“Amazing, we’d be lost without it. It really helps all the family.”

“Sprout is the only safe, non-judgmental outdoor activity I have found to access with my son.”

“Fantastic my daughter loves it, she’s made friends and we as parents have made friends to whom we can relate too!
